

COVID-19 UPDATE

Given the current COVID-19 situation, we would like to emphasize that our facilities satisfy the highest standards in cleaning and disinfection.

Our staff takes daily care to disinfect and maintain the property clean and hygienic.

Each guests' temperature is taken upon entering the premises.

We encourage guests to wear face coverings, especially within indoor areas.

We would like to highlight the advantages of our new luxurious amenities.

Safety features, disinfecting and physical distancing:

- Private and safe destination
- Private/separate entrance to each bedroom
- Direct exit on the terrace and spacious Mediterranean park
- Separate top filtered air conditioning (1/1), which prevents problems of central ventilation systems
- Usage of the outdoor pool and sun deck in a hygienic and safely prescribed way
- Individual usage of spacious gym and professional fitness zone and sauna, carefully disinfected after every usage
- Your own parking place in a protected and monitored space, next to the accommodation units

Food & drink safety:

- Possibility of individual food and beverage service by choice and by request
- Possibility of food delivery from top local restaurants and by arrangement
- Physical distancing in dining areas

Please note:

No booking is required for the pool, gym and professional fitness zone, we simply ask that you socially distance at all times.

We have now implemented a booking system for our sauna facilities.

This is essential to be pre-booked if of interest to you.

We allow you to reserve one slot per person ahead of time, if you wish to add more you can do so on arrival.
